Location	Laurel Heights
Department Name	Obstetrics, Gynecology and Reproductive Sciences
Work Days	Monday - Friday, 8:00 a.m. - 5:00 p.m.
Shift	Days
Shift Length	8 Hours
Job Summary	<p>JOB OVERVIEW</p> <p>The Executive Analyst (EA) applies professional concepts to conduct analytical studies or projects of moderate scope and complexity to address a variety of policy, research and procedural issues. Fully analyzes issues and problems, gathers data and information, finds and evaluates alternatives and makes sound recommendations. The EA will provide administrative and program support and independent analysis for the National Director of the Fellowship in Family Planning and the Ryan Residency Training Program, two national training initiatives with over 80 programs and 300 faculty across the country. The position will be responsible for managing priorities and directing support for the National Director, requiring interaction with both internal and senior leadership and external faculty across the country, as well as consultants, to coordinate a variety of complex meetings, and prioritize and manage multiple projects simultaneously. This position requires the ability to be proactive, resourceful and efficient, with a high level of independent decision making and flexibility.</p> <p>The EA will serve as liaison between the Director and internal staff (at all levels) in a fast paced environment, sometimes under pressure, to communicate her priorities and urgent projects with a high level of professionalism and confidentiality.</p> <p>OBSTETRICS, GYNECOLOGY & REPRODUCTIVE SCIENCE</p> <p>The Department of Obstetrics, Gynecology and Reproductive Sciences (Ob/Gyn & RS) is a major academic Department in the School of Medicine, engaged in clinical, research, and training activities at</p>

the Parnassus, Mt. Zion and San Francisco General Hospital campuses, as well as satellite locations throughout the Bay Area, with an annual operating budget of \$77.2 million and the new Betty Irene Moore Women's Hospital at Mission Bay. The OBGYN Department has 102 full-time faculty, 136 other academic appointees, 39 post-doctoral fellows, 20 clinical fellows, 36 residents, 136 voluntary clinical faculty, and 266 staff. The mission of the UCSF Department of OBGYN & Reproductive Sciences is to improve the lives and health of all women through excellence, innovation and leadership in Patient Care, Scientific Discovery, Education, Advocacy. "Leading the way in women's health."

ABOUT UCSF

The University of California, San Francisco (UCSF) is a leading university dedicated to promoting health worldwide through advanced biomedical research, graduate-level education in the life sciences and health professions, and excellence in patient care. It is the only campus in the 10-campus UC system dedicated exclusively to the health sciences.
